

## Free to join. Built to make an impact.

GovRAMP offers [free memberships](#) for public sector professionals at every stage of secure cloud adoption—from early exploration to full participation. Members gain direct access to tools, insights, and a national network working to advance cybersecurity and procurement modernization across all levels of government and education.

Open to verified professionals across **federal, state, local, tribal, territorial, and education institutions (FSLTT&E)**—including nonprofits and private educational organizations that support public-sector cybersecurity.

## KEY MEMBER BENEFITS

### On-Demand Resources

24/7 access to procurement templates, security guides, and recorded trainings—purpose-built to reduce lift for public sector teams.

### Interactive Learning Sessions

Engage in candid conversations with peers who are solving the same challenges—streamlining cybersecurity and aligning with procurement expectations.

### Interactive Workshops & Webinars

Programming designed for every level of experience—whether you're new to GovRAMP or actively progressing through adoption.

### Town Halls & Peer Learning Events

Programming designed for every level of experience—whether you're new to GovRAMP or actively progressing through adoption.

### Secure Member Portal

Get centralized access to tools, updates, and community connections—filtered by topic, role, and agency need.

### Committee & Task Force Eligibility

Help shape the future of public sector cybersecurity through service on select GovRAMP committees and task forces.

## ALREADY PART OF A PARTICIPATING GOVERNMENT?

Even if your agency is already a [Participating Government Organization](#), signing up as an individual gives you direct access to GovRAMP's tools, training, and engagement opportunities.

## WHY IT MATTERS

GovRAMP membership helps reduce manual lift, lower reliance on outside consultants, and accelerate secure cloud adoption—saving agencies time, money, and internal capacity.

## READY TO JOIN?

Individual memberships are free and open to verified professionals across FSLTT&E sectors. Visit [govramp.org/memberships/](https://govramp.org/memberships/) or email [get@govramp.org](mailto:get@govramp.org) to get started.
